FACILITATING APPROPRIATE DEVELOPMENT SUPPLEMENTARY PLANNING DOCUMENT ADOPTION STATEMENT

NOTICE is hereby given that in accordance with Regulation 19 of the Town and Country Planning (Local Development) (England) Regulations 2004, Horsham District Council will formally adopt its Facilitating Appropriate Development Supplementary Planning Document (SPD) on 29 May 2009.

The document has arisen from the need to provide 'flexibility' to ensure that there is sufficient housing supply during the life of the existing adopted Core Strategy (2007). The document sets out the requirements against which planning applications for development, put forward by landowners/developers as a response to the evolving circumstances, on greenfield and brownfield sites which adjoin defined settlement boundaries sites in the District will be considered.

Any person aggrieved by the adoption of the Facilitating Appropriate Development SPD may make an application to the High Court for permission to apply for a judicial review of the decision to adopt the document. Any challenge must be made on the grounds that either the document has not been prepared within the powers conferred by the Planning and Compulsory Purchase Act 2004, or alternatively that a requirement of the Act or associated regulations has not been complied with. Any such application must be made promptly and in any event not later than 29 August 2009.

For further information about the Facilitating Appropriate Development SPD, please contact the Strategic and Community Planning Department on (01403) 215398 or email strategic.planning@horsham.gov.uk.
